Province

## SKILLS

- **Programming languages:**
  - Java(Intermediate)
  - SQL(Intermediate)
  - JavaScript(Intermediate)
  - C++/C(Intermediate)
- **Frameworks & Libraries:**
  - Vue.js (Intermediate)
  - NestJS (Intermediate)
  - Swing (Java GUI)
  - Flutter (Intermediate)
  - Laravel (Beginner)
  - Spring Boot (Beginner–Intermediate)
  - Bootstrap
- **Databases**
  - MySQL (Intermediate)
  - Database Design & Normalization
  - SQL Query Optimization
- **Tools & Platforms**
  - Git & GitHub
  - Docker
  - Postman
  - Figma
  - Nginx
  - Linux/Unix Environment

# KEO CHANPONLORK

Flutter Developer Intern

## ABOUT ME

Fourth-year Computer Science student at the Institute of Technology of Cambodia (ITC) seeking an internship opportunity to gain industry experience and apply academic knowledge in real-world software development projects. Passionate about mobile and web application development, artificial intelligence, and data-driven solutions. Experienced in building academic and personal projects using Java, Flutter, SQL databases, machine learning techniques, and modern web technologies. Strong problem-solving, algorithm design, and teamwork skills, with a commitment to continuous learning and professional growth.

## EXPERIENCE

### Mathematics Tutor - Part-time

2025 – present

#### Mekun Academy

- Conducted one-on-one and group tutoring sessions for students in mathematics.
- Simplified complex mathematical concepts through clear explanations and structured problem-solving methods.
- Prepared students for examinations and mathematics competitions.
- Helped students improve academic performance, confidence, and critical thinking skills.

### Software Development & Research Projects 2024 - present

#### ACADEMIC PROJECTS

- Developed a 2D platformer game using Java and Swing.
- Designed and developed software solutions for academic assignments and project-based learning.
- Implemented frontend, backend, and database components using modern development frameworks.
- Collaborated with teammates on project planning, development, testing, and documentation.
- Presented project outcomes through technical reports, demonstrations, and academic evaluations.

## EDUCATION

### Institute of Technology of Cambodia

2023 - 2027

Bachelor of Engineering in Computer Science

### Australian Centre for Education (ACE)

2023 - 2026

General English Program (GEP)
